## We've defined "Full Service"

We have the teams in place to accommodate almost every form of maintenance your facility could require, and for any extra services we have a qualified Trade Network to provide them.

## Pripya - Xperience

Mick & Brock from the team have been very professional, attentive, and even thoughtful when dealing with work orders issued to them from myself.  
5 stars, thanks guys!

## Drew - 24HrASSIST

I manage a vehicle dealership based in Brisbane and use Grass Gone Wild for our maintenance requirements, we are very satisfied with their work & communication, we highly recommend them.

## Emma - Partners choice

Amazing! Came over and gave a comprehensive quote, nothing was too much trouble! Super happy with the price.  
Would highly recommend.
